IAH 115 B Avaratsena Itaosy

## QUALITIES

- Punctual
- Organized
- Diligent
- Creative
- Open to opportunities

## LANGUAGES

Malagasy : Native

French: Spoken and written fluently

English: Spoken and written

## ABOUT

I am a serious and calm person who likes to organize my work and take things one step at a time. After earning my bachelor's in software engineering(2025), I am now looking for new experiences that will help me improve my skills and allow me to contribute to society.

## EDUCATION

### 2018 - 2021

I attended Les Séraphins, a private high school, where I earned my Baccalauréat D.

### 2021 - 2024

I studied software engineering and earned my bachelor's degree from the Haute École d'Informatique (HEI Madagascar) after three years of study.

## EXPERIENCE(S)

3-month internship at the National Assembly of Madagascar as a frontend developer.

## TECH STACKS
